PROFESSIONAL EXPERIENCE

NHN Global Inc (FASHIONGO) | Los Angeles, CA — *10/2022 – Present*

Product Manager, New Business & Platform Growth — *07/2025 – Present*

- **Shopcord – Wholesale SaaS Platform (launched June 2026):** Built and launched an all-in-one SaaS platform for wholesale vendors covering inventory and line sheet management, order processing, payments and settlements, shipping, and SMS/email marketing, monetized through subscriptions and integrated payments, shifting FASHIONGO from transaction-based to recurring revenue; leading Phase 2.5 expansion.
- **Fashiongo Pay – Embedded Payment Solution (launched June 2026):** Modularized FASHIONGO's payment infrastructure into an embeddable checkout solution that lets buyers save and reuse payment methods across FASHIONGO and Shopcord stores, laying the groundwork to extend Net Terms to 2,000+ vendors as a net-new revenue vertical.
- **Label It – Fulfillment Partner Portal:** Built an operations portal integrating FASHIONGO and vendor portals to bring off-platform relabeling orders onto the marketplace, automating order routing and settlement; generated $2.5M in revenue within 9 months.

Product Manager, Logistics & Promotions — *07/2024 – 06/2025*

- **Matching Promotion Tool:** Introduced a vendor-platform co-funded promotion model, growing vendor participation from 200 to 580 and generating $7.6M in GMV; drove the highest-performing FASHIONGO Week on record and became a permanent marketing feature.
- **Ship with FG Program Expansion:** Expanded Ship with FG across UPS, FedEx, and USPS, enabling vendors to access FASHIONGO's discounted carrier rates while generating margin on the spread; grew program adoption from 11% to 38%.
- **Surcharge Billing Automation:** Automated UPS and FedEx surcharge billing, cutting manual billing adjustments from ~200 per month to zero.
- **Checkout Conversion:** Built an automated coupon applicator that detects and applies eligible vendor and platform coupons at cart, driving coupon redemption rate to 60%+ across 600K+ buyers.

Product Manager, Payments & Platform — *10/2022 – 06/2024*

- **Vendor Payments Infrastructure:** Built FASHIONGO's end-to-end vendor payout system from scratch, automating settlement calculations for 2,000+ vendors, and redesigned payment onboarding integrating Stripe and Balance for standard and deferred payment processing.
- **CPC Ads Billing:** Launched a prepaid CPC ad flow with auto-reload, simplifying vendor balance management and increasing ad reinvestment.

LA Rams | Los Angeles, CA — *01/2022 – 06/2022*

Product Analyst (Apprenticeship)

- Analyzed ticket sales and customer behavior data to surface season ticket conversion drivers; built Tableau dashboards and presented findings to senior stakeholders.

DesignPress | Seoul, South Korea — *07/2018 – 06/2021*

Product & Business Strategy Manager

- Launched heypop.kr, a content e-commerce platform, pivoting the business from a magazine to a transaction-based model; owned product, marketing, and branding strategy end-to-end.
- Built a newsletter business from 0 to 30,000+ subscribers, achieving a 35% open rate and 18% click rate (13% above industry average) through A/B testing and KPI optimization (CAC, ROAS, CTR); featured in Trending Korea 2021.

OE Solutions | Seoul, South Korea — *07/2016 – 07/2018*

Product & Sales Strategy Associate

- Developed a China market entry strategy through product promotions in Shenzhen, driving a $25M revenue increase from 2016–2018, with over 70% of 2018 revenue from exports.
